

PRIVATE PRAYER IN THE CHURCH

Thanks be to God, our church is reopening for private prayer and reflection from Sunday 28th June. **We will open every day from 11am to 2pm, excluding Thursdays** when a deep cleaning will take place.

When entering the church, please do so by the side door at the ramp and ensure you are wearing a facemask. Once inside, please follow the directions of the volunteer stewards on duty, maintaining social distancing at all times. Please exit the church by the side door at Our Lady's altar.

The stewards will sanitise your hands and also the place where you were sitting to ensure the building remains as sanitised as possible for everyone entering. Please note the toilets in the church must remain closed.

The capacity of the church has been reduced to only 80 people at a time, although families and couples can sit together. The stewards will keep a check on numbers in the building. In the unlikely event there is more than eighty at any given time, you may be asked to wait for someone to leave before you can enter, so please be patient.

Facemasks must be worn at all times

Always ensure social distancing

Follow directions of the stewards on duty

Fr Joe
